

Special design of the suitcase ensures instrument's safe transport while on site. The suitcase is durable for shocks (aluminum construction with internal filling from polyurethane foam).

It is available in two versions:

- W1 for instruments series: PS/X, PS xx/C1, PS xx/C2, WLC xx/A2 - with pan size 195×195 mm;
- W2 for instruments series: WLC xx/F1/K, WPT xx/F1/K - with pan size 300×300 mm.
